

The Teardrop Tag™

Protection with Class

The Teardrop Tag brings a degree of elegance to EAS previously un-witnessed. Never before has a tag been designed not only to provide superior protection and security, but to provide the best aesthetics for the upscale merchant. The Teardrop Tag comes in four beautiful shades: burgundy, pearl, midnight and rose. Each tag will make your merchandise stand out! It will almost be a shame to remove it!

PROTECTION WITH CLASS!

- Compatible with any 58 KHz EAS system
- Composed of superior material
- Superlock mechanism
- Perfect for women's lingerie, high-end apparel, collectibles, petite garments and any other item that demands style
